

# Just admit go-kart decision a mistake

**Dear editor,**

If all that stands between righting the wrongs dealt the Capital City Kart Club is a simple admission by the CVRD that they made a mistake, then make that admission!

We all know how difficult it is to

acknowledge error. We also know that people are forgiving and respectful of those admitting they were wrong. A simple, sincere apology, admission of error and immediate reparation would bring this bizarre situation to a conclusion.

The Capital City Kart Club and the general public would admire the CVRD for finally behaving honourably. The CVRD would gain some much-needed respect. Our kids could get on with their race season, and everyone else could get on with their lives. Please consider this solution to a shameful situation.
